I have decided to start with a 4 week schedule to rank the teams. The last 4 weeks will either be another round robin or we may split into 2 divisions if we have a large discrepancy in talent in the teams.

August 20 : Playoff week 1 (tentative)
 August 27 : Playoff week 2 (tentative)

Mark a W for a Win, a L for a Loss, and D for a Default.

A default is when the team does not show up or fails to provide 24 hours notice that they are going to miss a game. If a team shows up and does not have the required players, but still wants to play, it is an automatic loss (not default).
