I have decided to start with a three week schedule to rank the teams. The last 5 weeks I will split the top 12 teams into the A Pool and the bottom 12 teams will be placed into the B Pool. The teams will then only play the teams in their pool for the last 6 weeks.

August 17 : Playoff week 1 (tentative)
August 24 : Playoff week 2 (tentative)

Mark a W for a Win, a L for a Loss, and D for a Default.

A default is when the team does not show up or fails to provide 24 hours notice that they are going to miss a game. If a team shows up and does not have the required players, but still wants to play, it is an automatic loss (not default).
